

LEWMAR

VECTOR™

**MANUAL SHALLOW
WATER ANCHOR**

ABOUT

The Lewmar Vector manual shallow water anchor gives anglers total control in up to eight feet of water. Its hands-on manual design operates swiftly and silently, minimizing disturbances so you can spike your spot with unmatched precision. Keep your boat secure and focus on catching your next big catch.

FEATURES

- **Hassle-Free Installation:** No hydraulic hoses or pumps, or electrical wiring required
- **Reliable Stability:** Secure positioning through wake turbulence
- **User-Friendly:** Effortless pull-rope operation

QUICK RELEASE MOUNTING BRACKET

Removing your Lewmar shallow water anchor is easy with our quick-release mounting bracket. Available in black or white, this dovetail-style bracket mounts to your boat's transom or other brackets, allowing for simple slide-out removal for trailering, storage, or switching between boats.

- DIY installation port or starboard with included hardware
- Compatible with other Lewmar mounting brackets
- Durable powder-coated aluminum finish
- Measures 8" x 6" x 1.5"

Quick release mount

JACK PLATE MOUNTING BRACKET

The jack plate mounting bracket allows you to mount your shallow water anchor without drilling holes or removing the motor, preserving your boat's integrity while ensuring a secure fit for your Axis or Vector.

- DIY installation port or starboard with included hardware
- Compatible with Quick Release mounting bracket
- Durable powder-coated aluminum finish

Jackplate mount

MOTOR MOUNTING BRACKET

The motor mounting bracket attaches between your outboard motor and transom, eliminating the need for hull drilling and preserving your boat's integrity. Installation typically requires a professional.

- No-Drill installation between outboard motor and transom
- Compatible with Quick Release mounting bracket
- Durable powder-coated aluminum finish

Motor mount

PONTOON DECK MOUNTING BRACKET

The Lewmar pontoon deck mounting bracket makes shallow water anchoring easy, allowing you to attach the Axis or Vector anchor for reliable, precise anchoring on your pontoon.

- DIY installation directly to the deck with included hardware
- Compatible with Quick Release mounting bracket
- Durable powder-coated aluminum finish
